 Some of my friends are so free.
 Lord, I'm re - a - liz - ing that

 We were marked and called out by You.
 Who could I blame, - Lord, but Thee?
 Lov - ing You's a tend - - er trap.

Lord, could You ev - er break
 We had no choice, we were
 I can - not do all the
 Since You have kissed me, my

 trapped by You, Lord;
 things that they do

If, Lord, we gave You a part?
 We had no place we could run.
 Be - cause You set me a - part.
 All my re - sist - ance has cracked.

Lord, we can't do it on our own.

O Lord Je - sus, how we need You!

Win us, woo us, to Thy - self, Lord,

That we'd ev - er stay, Lord, with You.
